

PERSONALIZE YOUR LAUNDRY SERVICES:

Mom's Campus Cleaners offers you the ability to personalize your laundry services with us. We will keep this document on file and refer to your instructions every time we do your laundry. If you prefer a certain brand detergent, fabric softener, or bleach in your clothes, Mom's would like to know! Though certain requests will carry a surcharge, we would like to know how you prefer your laundry cleaned. Please check the boxes below for preference to how your laundry services are preformed. We use an environmentally safe commercial detergent for all basic washes and a fabric sheet for the dryer free of charge.
